Finn is not like most frogs. Finn likes things clean—*perfectly* clean. His book is *immaculate*. It's *amazing*. It's **PERFECT**.

He has no idea how that's about to change when little fingers get involved!

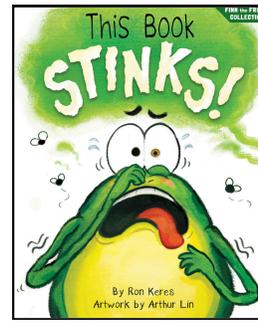

Finn the Frog loves to cook. He thinks he's a great chef. There's only one tiny problem—he's cooking for a kid.

Will his froggy flavors ignite to **CULINARY CHAOS**, or will Finn discover the secret ingredient to win over the finicky eater?

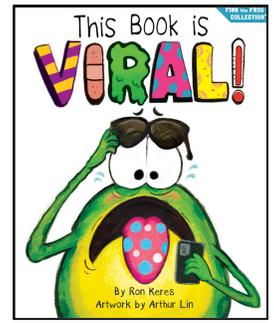

Finn **LOVES** being a frog—but he thinks it's time for a few upgrades. His reader displays promising talent, earning the green light to make alterations.

Will Finn regret handing the crayons over to a kid?

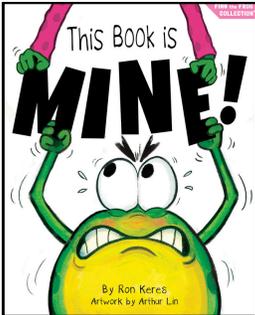

Finn the Frog **THOUGHT** he loved to babysit—until he met a kid in diapers.

Will Finn's entertaining skills match the challenge that crawls before him?

Finn is one **POPULAR** frog—some would even say he's gone viral.

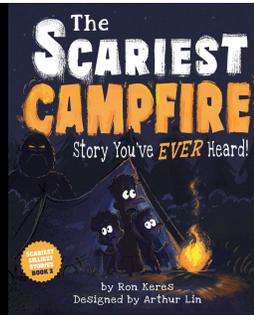

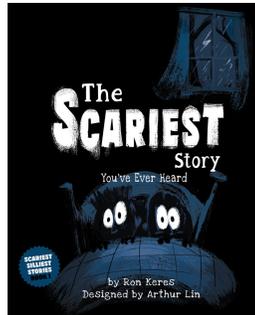

But will Finn's world come crashing down when a germy little kid needs his help? Or will he learn that kindness trumps popularity?

Finn the Frog loves having his own book—and he's **NEVER** had to share it before.

But when his sassy sister comes for a visit, she steals the spotlight—and the story!

Will Finn learn to share, even when it's really hard?

**GET READY FOR DOUBLE THE CHILLS AND DOUBLE THE LAUGHTER!**

These two scary-but-silly stories crank up the suspense before pulling the rug out with unforgettable twist endings.
